4. VEILINGSREëLS

Wanneer 'n bul op 'n veiling aangebied word en die verkoper hou semen terug vir eie gebruik, moet dit verklaar word en dit moet op die katalogus aangeteken word.

Indien 'n dier aangebied word op 'n veiling moet daardie dier aan die veiling reëls voldoen. Indien die dier nie daaraan voldoen nie, sal die dier nie aanvaar word nie. Dit is die verantwoordelikheid van die teler/eienaar om korrekte besonderhede van die dier aan Mej. Marié v/d Schyff te voorsien.

'n Oordragsfooi van R100-00 + BTW per dier is betaalbaar vir die oordrag van 'n dier wat nie onder die beskerming van die Genootskap verkoop word nie. Hierdie reël tree in werking vanaf 1 Julie 2011.

Alle embryo spoelings en hoeveelheid suksesvolle embryo's moet aangedui word op veiling katalogusse. **Dit is die verantwoordelikheid van die telers om Mej. Marié v/d Schyff in kennis te stel van die hoeveelheid spoelings.** Indien die inligting nie verskaf word nie, sal daardie dier nie gepubliseer word in die veilingkatalogus nie.

Die opgedateerde veilingreëls sal binnekort beskikbaar wees.

5. 2011 BORAN OPLEIDINGS-KURSUSSE

Die opleidingskursusse word baie sterk aanbeveel en ons wil weereens u aanmoedig om waar moontlik, die 2011 opleidingskursusse by te woon.

Oktober 2011 by Maximus Borane (Sal spoedig moontlik die datum deur gee).

Die doel van die opleidingskursusse is om aan bestaande, nuwe en voornemende telers volledige inligting, praktiese en administratiewe opleiding ten opsigte van stoetteling te gee. Die praktiese opleiding behels die fisiese ontleding van die Boran.

6. NASIONALE VEILING

Die 2011 Boran Nasionale veiling het plaasgevind, Saterdag, 9 Julie 2011 te

Afri Dome, Parys. Dit was 'n baie suksesvolle veiling met 'n omset van R7.2 miljoen. Ek wil graag van die geleentheid gebruik maak om almal te bedank vir hul bydrae.

'n Nuwe ras rekord is behaal vir die verkoop van die bul, Z0651 vir R 1 miljoen. Verkoper: Frontier Borans – Mnr. Stephen & Mev. Debbie Johnson, Koper: Supremus - Mev. Susan Bothma & Model Borane – Mnr. Ockert Werner. Baie geluk aan die verkoper en kopers. 2012 Nasionale veiling is geskeduleer vir 14 Julie 2012 te Afri Dome, Parys.

7. REGISTRASIES

Die geboorte van **ALLE** kalwers uit Hulpstamboek 'A', 'B', 'C' en 'SP' koeie moet binne **90 dae** na geboorte aangemeld word, hetsy lewendig of doodgebore of 'n B-bulkalfie. Hierdie inligting word benodig ten einde die moeder se kalfrekord en interkalfperiodes op datum te hou.

Diere wat nie die reëls en regulasies van die TKP en eerste kalf geboorte nakom nie sal van die stelsel verwyder word teen 31 Januarie 2012. Telers sal van 'n lys voorsien word van die diere.

Laat geboorte kennisgewings sal aanvaar word tot en met 31/01/2012. 'n Boete per dier is betaalbaar.

BAIE BELANGRIK:

Alle skenkerdiere (OVA & semen) moet gekeur wees indien u wil handeldryf met embrio's.

Indien 'n bul (nie as KI-bul geregistreer nie) van eienaars verwissel en die vorige eienaars semen van die bul terughou en verkoop, sal die KI-kalwers nie geregistreer word nie. Telers wat dit

wel doen, moet daarop let dat dit tot 'n siviele aangeleentheid tussen die onderskeie telers wat semen verkoop het, kan lei.

8. OPTELING VAN DIERE

Die optelingstelsel werk as volg:

- Komm. Moeder x C- of SP-bul = A-kalf (slegs vroulik word geregistreer, hoewel bulkalwers ook aangemeld moet word ten einde die moeder se kalfrekords op datum te hou).
- A-moeder x SP- of C-bul = B-kalf (slegs vroulik word geregistreer, hoewel bulkalwers ook aangemeld moet word ten einde die moeder se kalfrekords op datum te hou).
- B-moeder x **slegs** SP-bul = C-kalf (C-bulle word nie toegelaat nie)
- C-moeder x C-bul = C-kalf
- C-moeder x SP-bul = SP-kalf
- SP-moeder x SP- of C-bul = SP-kalf

6. NATIONAL SALE

The 2011 Boran National sale took place Saturday, 9 July 2011 at Afri Dome, Parys. It was a very successful sale and I thank every one who was involved and participated. Turn over of R7.2 million.

An all new Breed record price of R1 million for bull Z0651. Seller: Frontier Borans – Mr. Stephen & Mrs. Debbie Johnson, Buyer: Supremus - Mrs. Susan Bothma & Model Borane – Mr. Ockert Werner. Congratulations to the seller and the buyers.
2012 National sale is scheduled for 14 July 2012 at Afri Dome, Parys.

7. REGISTRATIONS

The births of ALL calves from Appendix 'A', 'B', 'C' en 'SP' cows have to be submitted within 90 days after birth whether born alive, still born as well as bull calves from Appendix A dams. This information is essential for the dam's calving record as well as for inter-calving periods of the breed.

Animals will be removed from the system by 31 January 2012 which do not meet the demands of the rules and regulations of the ICP (730) and first calve date (42 months). Breeders will be provided a list of animals by Society.

All late notifications will be accepted up until 31/01/2012. A penalty fee per animal will be charged.

All embryo donor cows and semen donor bulls have to be inspected if you want to trade in embryos.

Very Important:

When a privately owned bull, which was not registered as an AI bull, is sold and the breeder retained semen from the bull for his own use, **he may under no circumstances sell the semen to a fellow breeder.** AI calves born from such mating will not qualify for recording.

This illegal practice may lead to serious conflict between breeders.

8. UPGRADING OF ANIMALS

The up-grading system works as follow:

- Commercial cow x C or SP bull = A calf (only the female progeny will qualify for recording).
- A-dam x SP- or C-bull = B-calf (only the female progeny will qualify for recording, the birth of a bull calf must be reported for the calving record of its dam).
- B-dam x **only** SP-bull = C-calf (C-bulls do not qualify for this mating).
- C-dam x C-bull = C-calf
- C-dam x SP-bull = SP-calf
- SP-dam x SP- or C-bull = SP-calf
