Veilings is een van die vertoonvensters van ons ras en daarom is dit krities belangrik dat elke teler wat diere op 'n veiling wil aanbied die veilingsreëls noukeuring moet nakom.

Soos u kan opmerk is daar baie veilings beplan vir 2012 en ons vra dus elke teler se samewerking. Telers moet asseblief let op die datums van veilings wat in dieselfde area aangebied word om hulle datums aan te pas vir administrasie en logistieke redes en om ons Veilingsreëls na te kom.

Telers wat diere op 'n veiling wil aanbied moet asseblief let op die volgende:

^Diere moet gekeur wees VOORDAT diere ingeskryf word.

^Vroulike diere: 30 maande en ouer moet dragtig wees of met 'n kalf aangebied word (kalf moet nog suip).

^Dragtigheidsinligting moet inskrywing vergesel (hoeveel maande en van watter bul).

^Verkopers moet diere inligting minstens 28 dae voor beoogde

veiligheidsdatum aan die kantoor voorsien (dragtigheid ingesluit).

^Indien semen/embrio's op 'n veiling verkoop word moet stawende dokumente gelewer word tesame met inskrywing dat semen/embrio's gekollekteer is by 'n geregistreerde KI Sentrum.

^Wanneer semen van 'n bul wat te koop aangebied word vir eie gebruik deur die verkoper teruggehou word, moet dit deur die verkoper verklaar word sodat dit in die katalogus aangedui kan word.

^Alle embrio spoelings en hoeveelheid suksesvolle embrio's moet aangebring word in die katalogus.

## 10. GESLAGSVERANDERING

Neem asseblief kennis dat geslagsverandering van diere ouer as 15 maande nie meer verander mag word nie. Maak asseblief dus seker van u dier se geslag met registrasie.

## 12. RASBEVORDERING

### TOEKENNING

Die Boran ras in SA word gekenmerk deur uitstekende groei in die aantal geregistreerde diere en Boran telers wat die ras na aan die hart dra. Die Boran Beestelersgenootskap se Raad nooi alle belangstellendes en/of telers uit om oorweging te skenk aan die idée om 'n persoon te nomineer wat die Boran ras in die afgelope tyd 2010/2011 op 'n onbaatsugtige manier bevorder het.

**Die nominasie moet goed gemotiveer wees en voor 30 April 2012 aan die Boran Genootskap se kantoor gestuur word.** Riglyne vir oorweging van hierdie nominasies kan die volgende insluit, maar is nie beperk daartoe nie:

- **Onbaatsugtige diens aan die Boran telers en/of Boran Belanghebbendes van 'n streek en/of nasionaal in enige opbouende vorm wat die Boran Beesras bevorder.**
- **Innoverende idees omskep in aksies wat die Boran Beesras se langtermyn bestaan bevorder en/of kan bevorder.**
- **Iemand wat altyd dieselfde passie en fokus openbaar om deurlopend te verseker dat eie belang op die agtergrond skuif en die Boran Beesras se langtermyn bestaansdoelwitte op die voorgrond bly.**
- **Bewese aksies deur iemand wat die bekendstelling van en belangstelling in die Boran Beesras by kommersiele beesboere in besonder kweek en bevorder.**

Gebruik gerus die riglyne om u eie denkrigting vir hierdie nominasie te formuleer. Ons sien uit daarna om op hierdie wyse die nodige toekenning aan die regte persoon of persone te gee wat die langtermyn ontwikkeling en volhoubare bestaan van die Boran Beesras kan bevorder.

Geniet die rustyd en bestuur veilig wanneer u met vakansie gaan.

Sukses met u boerdery!

Boran en Kersgroete
