1. BOODSKAP VANAF DIE PRESIDENT

Ons is alreeds in ons derde maand van 2012 – die jaar het soos altyd baie vinnig begin. Ons het alreeds twee suksesvolle veilings aangebied wat goeie pryse behaal het. Sterkte vir alle telers en klubs wat die jaar veilings aanbied.

2. KANTOOR SAKE

Hartlike welkom aan ons twee nuwe personeellede. Mev. Ilona Boshoff is vanaf 20 Februarie 2012 in die plek van Mej. Marié van der Schyff aangestel as assistent sekretaresse. Sy behartig al die take wat Marié hanteer het.

Mnr. Hendy Mathews is vanaf 1 Maart 2012 aangestel as die Genootskap se tweede Tegnieuse adviseur.

Sterkte en voorspoed vir ons nuwe personeellede.

3. VEILINGREËLS

Die veilingreëls is alreeds per e-pos aan alle telers gestuur.

4. DNA VAN TEELBULLE

Let asseblief daarop dat ALLE TEELBULLE (C & SP bulle) wat in u kuddes gebruik word, moet oor 'n DNA profiel beskik (C & SP bulle wat gebruik word in die opgraderings programme ingesluit). Indien van u bulle nog nooit ge-DNA was nie, moet u dit asseblief so spoedig moontlik afhandel. Die Raadsbesluit sal bespreek word tydens die Algemene Jaarvergadering wat Julie 2012 sal plaasvind. Die voorgestelde sperdatum van indiening van die profiel is 31 Januarie 2013.

5. OORDRAGSFOOI VAN PLAAS- / PRIVAATVERKOPE

Let asseblief daarop dat daar vanaf 1 Maart 2012 'n oordragsfooi van R100.00 per dier is van **ALLE** diere wat nie onder die beskerming van die Genootskap

verkoop is nie sowel as privaat verkope. Die verkoper sal gefaktureer word.

6. SKEDULE O VORMS

Ons versoek u vriendelik om alle skedule O vorms so vroegtydig as moontlik in te dien by SA Stamboek. Met indiening van die vorms, alles op een slag veroorsaak dit 'n vertraging met die ander administratiewe werk.

7. 2012 JOERNAAL

Ons is goed op dreef met ons 2012 Joernaal wat ons beoog om teen einde April 2012 beskikbaar te hê. Daar sal aan elke teler 'n Joernaal gepos word.

Veilings is een van die vertoonvensters van ons ras en daarom is dit krities belangrik dat elke teler wat diere op 'n veiling wil aanbied die veilingsreëls noukeuring moet nakom. Soos u kan opmerk is daar baie veilings beplan vir 2012 en ons vra dus elke teler se samewerking.

10. RASBEVORDERING TOEKENNING

Ons herinner u net weer aan die rasbevordering toekenning. Ons wag nog vir enige nomisie. Hier volg net weer die inligting vir u kennisname:

Die Boran ras in SA word gekenmerk deur uitstekende groei in die aantal geregistreerde diere en Boran telers wat die ras na aan die hart dra. Die Boran Beestelersgenootskap se Raad nooi alle belangstellendes en/of telers uit om oorweging te skenk aan die idee om 'n persoon te nomineer wat die Boran ras in die afgelope tyd 2010/2011 op 'n onbaatsugtige manier bevorder het.

Die nominasie moet goed gemotiveer wees en voor 30 April 2012 aan die Boran Genootskap se kantoor gestuur word. Riglyne vir oorweging van hierdie nominasies kan die volgende insluit, maar is nie beperk daartoe nie:

- **Onbaatsugtige diens aan die Boran telers en/of Boran Belanghebbendes van 'n streek en/of nasionaal in enige**

opbouende vorm wat die Boran Beesras bevorder.

- ***Innoverende idees omskep in aksies wat die Boran Beesras se langtermyn bestaan bevorder en/of kan bevorder.***
- ***Iemand wat altyd dieselfde passie en fokus openbaar om deurlopend te verseker dat eie belang op die agtergrond skuif en die Boran Beesras se langtermyn bestaansdoelwitte op die voorgrond bly.***
- ***Bewese aksies deur iemand wat die bekendstelling van en belangstelling in die Boran Beesras by kommersiele beesboere in besonder kweek en bevorder.***

Gebruik gerus die riglyne om u eie denkrigting vir hierdie nominasie te formuleer. Ons sien uit daarna om op hierdie wyse die nodige toekenning aan die regte persoon of persone te gee wat die langtermyn ontwikkeling en volhoubare bestaan van die Boran Beesras kan bevorder.

Sukses met u boerdery!

Boran groete

10. BREED ENHANCEMENT

A friendly reminder regarding to the Breed enhancement. Herewith the information:

The Boran Breed in SA are characterised by excellent growth in the number of registered animals and Boran Breeders who are treasuring the breed close to their heart. The Council of the Boran Breeders Society are inviting interested parties and/or Boran Breeders to consider the idea of nominating a person who advanced the Boran Cattle Breed during the recent past 2010/2011 in a selfless manner.

The nomination should be well motivated and send to the Boran Cattle Breeders Society offices before 30 April 2012. Guidelines to be considered for this award, include but are not limited, to the following:

- ***Unselfish service to Boran Cattle Breeders and/or Boran Interested Parties of a region and/or national in any constructive manner which are***

advancing the Boran Cattle Breed.

- ***Innovative ideas transformed into actions that can or will improve the long term sustainability of the Boran Cattle Breed.***
- ***Someone who always displays the same passion and focus to consistently ensure that own interest do not stumble the long term sustainability of the Boran Cattle Breed.***
- ***Proven actions displayed by someone who introduced and advanced the Boran Cattle Breed specifically to Commercial Cattle Breeders.***

Please use these guidelines to direct your own thought process for this important nomination. We are excited to give due recognition for the deserving person or people who are ensuring the long term sustainability of the Boran Cattle Breed in SA.

Success with your farming!

Boran greetings

Eloff Muller

President
