1. JOERNAAL 2012

Die Joernaal is weereens 'n groot sukses – baie dankie vir almal se insette.

Die Joernaal is aan alle lede per pos gestuur op 8 Mei 2012 – Hou gerus jul posbusse dop.

2. INVOER VAN EMBRIOS VANUIT ZIMBABWE

Die Raad het tydens sy vergadering op 3 Mei 2012 die beweerde ongrondwetlike invoer van embryo's vanuit Zimbabwe bespreek. Die aangeleentheid word tans ondersoek. Die tydelike opskorting van dienste aan mnre. Adriaan Rall, Riaan Strydom en Mark Hook is 'n voortvloeiende hieruit en daarom kan geen transaksies ten opsigte van hierdie telers verwerk word nie, hangende die uitslag van die ondersoek.

3. DNA VAN TEELBULLE

Net 'n vriendelike herinnering: Let asseblief daarop dat ALLE TEELBULLE (C & SP bulle) wat in u kuddes gebruik word, moet oor 'n DNA profiel beskik (C & SP bulle wat gebruik word in die opgraderings programme ingesluit). Indien van u bulle nog nooit ge-DNA was nie, moet u dit asseblief so spoedig moontlik afhandel. Die Raadsbesluit sal bespreek word tydens die Algemene Jaarvergadering wat Julie 2012 sal plaasvind. Die voorgestelde sperdatum van indiening van die profiel is 31 Januarie 2013.

4. SKEDULE O VORMS

Ons versoek u weereens baie vriendelik om alle skedule O vorms so vroegtydig as moontlik in te dien by SA Stamboek en om van die korrekte vorms gebruik te maak. Vanaf 14 Mei 2012 word geen ander dokumentasie aanvaar nie, slegs die nuwe vorms. Sien aangeheg die korrekte vorms.

5. 2012 NASIONALE VEILING

Opskud met jul inskrywings, sluitingsdatum van 14 Mei 2012 is om die draai.

6. AANSOEK OM KEURING

Let asseblief daarop dat die aansoek om keurings vir die nuwe finansiële jaar (1 Julie 2012 – 30 Junie 2013) die kantoor moet bereik voor einde September 2012. Die rede vir die vroeë indiening is om 'n jaarlikse roetebeplanning te kan opstel. Die aansoekvorms sal binnekort aan u per e-pos of pos gestuur word. Indien die aansoekvorm nie die kantoor bereik voor 30 September 2012 nie sal daardie spesifieke teler gefaktureer word vir die aantal kilometers gereis deur die keurder. Jul samewerking in die verband word waardeer.

7. KEURING VAN KI BULLE

Indien enige teler 'n bul wil aanbied vir keuring vir KI doeleindes moet die keuring deur twee keurders plaasvind asook 10 nageslagte moet aan die keurders beskikbaar wees vir besigtiging.

8. NUWE TARIWE

Die nuwe tariewe is as volg vir die nuwe finansiële jaar:

Ledegeld: R1800.00 + BTW

Per kapita A & B R27.00 + BTW

Per kapita C & SP R38.00 + BTW

Fakturering van ledegeld en per kapita heffings sal gedurende Julie 2012 plaasvind. Vereffening van hierdie fakture moet asseblief voor of op 30 September 2012 plaasvind.

9. APPÈL AANTEKEN TEEN KEURING

Let asseblief daarop dat indien 'n teler appèl wil aanteken teen 'n dier wat afgekeur is moet die appèl die kantoor binne 3 weke van inspeksie bereik.

1. JOURNAL 2012

The Journal is once again a great success – thank you for everyone's input. The journal was distributed by post to all members the 8th of May 2012 – Keep an eye on your mailboxes.

2. IMPORTATION OF EMBRYOS FROM ZIMBABWE

Council discussed the alleged unconstitutional importation of embryos from Zimbabwe at its meeting of 3 May 2012. This matter is currently under investigation. As a consequence all services to Messrs. Adriaan Rall, Riaan Strydom and Mark Hook have been suspended temporarily and therefore no transactions in respect of these breeders can be processed, pending the outcome of the investigation.

3. DNA OF BREEDING BULLS

Just a friendly reminder:
Please take note that ALL BREEDING BULLS (C & SP bulls) used in your herd must be DNA profiled (including C & SP bulls used in the upgrading system). If any of your bulls has not yet been profiled, please take care of it as soon as possible. This Council decision will be discussed at the Annual General Meeting during July 2012. The suggested cut-off date for submitting the DNA profiles will be 31 January 2013.

4. SCHEDULE O FORMS

A friendly request: Please submit your schedule O forms as soon as possible to SA Studbook. Handing in of all these forms at once causes a delay in other administration duties. As from 14 May 2012 no other documentation will be accepted. See attached to correct forms.

5. 2012 NATIONAL AUCTION

Do not delay your entries; closing date of 14 May 2012 is just around the corner.

6. APPLICATION FOR ANNUAL INSPECTION

Please note that the application for inspection for the new financial year (1 July 2012 – 30 June 2013) should reach the office before 30 September 2012. The reason for the early submission is to set up a yearly route plan. The application form will be forwarded to you by mail or e-mail. If the application form does not reach the office before 30 September 2012 we will be obligated to invoice the breeder for the specific kilometres travelled by the inspectors. Your co-operation will highly be appreciated.

7. INSPECTION OF AI BULLS

Please keep in mind that if any breeder would like to offer a bull for selection for AI purposes, that specific bull needs to be inspected by two inspectors and 10 offspring should be available for the inspectors for viewing.

8. NEW TARIFFS

The new tariffs for the new financial year will be as follows:
Membership fee: R1800.00 + VAT
Per capita A & B: R27.00 + VAT
Per capita C & SP: R38.00 + VAT
Invoicing of these fees will take place during July 2012. Settlement needs to reach the office on or before 30 September 2012.

9. LODGE AN APPEAL

Any breeder dissatisfied with an inspector's decision may lodge an appeal to the Secretary within three weeks after the inspection.

10. CLOTHES

New clothing will be available at Nampo 2012.

A clearance sale of old stock – prices cut by 50 %.

Clothing is also available at the office.
