4. BORAN GENOOTSKAP & STAMBOEK

Ons versoek die telers weereens om seker te maak die korrekte bedrag met die korrekte verwysing word by elk van die instansies inbetaal. Neem asseblief kennis dat die Boran Genootskap en Stamboek twee verskillende instansies is met twee verskillende bankrekeninge:

BORAN GENOOTSKAP:

ABSA

Rek nr: 405 786 8603

Verwysings: U Boran rekening nommer

S A STAMBOEK

Standard Bank

Rek nr: 04 119 1358

Verwysings: U Stamboek deelnemers-kode.

Ongelukkig kan geen oorplasings vanaf SA Stamboek gemaak word aan die Boran Genootskap of vica versa nie.

Maak asseblief seker jul uitstaande rekeninge word so spoedig moontlik vereffen voor die Algemene Jaarvergadering wat 19 Julie 2013 plaasvind. Indien enige uitstaande bedrae sal u verhoed word om te stem.

5. NASIONALE VEILING 2013

Ons is reeds goed op dreef met die samestelling van die katalogus. Ons het 143 inskrywings ontvang. Die veiling sal 20 Julie 2013 om 11:00 plaasvind te Afri-Dome, Parys.

6. MEDE-EIENAARSKAP VAN VROULIKE DIERE

Die programmering van mede-eienaarskap van vroulike diere is afgehandel. Telers wat deel is van 'n spoelprogram kan nou elk hul embrio kalwers met hul KKM registreer. Ons benodig net 'n skrywe vanaf die eienaar wat melding maak wie die mede-eienaar is van die vroulike dier asook die datum tot wanneer die lid die mede-eienaar is. Die skrywe wat melding maak wie die mede-eienaar is, is baie van belang, sonder die skrywe sal die teler wie die mede-eienaar is, nie sy embrio kalwers kan registreer onder sy KKM nie. Die indiening van die Skedule O vorm en die DNS moet nog geskied soos in die verlede.

7. KORREKTE ID NOMMERS

Neem asseblief kennis met registrasie van u diere moet u asseblief die korrekte ID nommers voltooi in die ID kolom in die Geboortekennisgewingboek (kolom 10), d.w.s.: KKM + Jaartal + Volgnommer, bv. ABC1301.

Indien u stelsel op die plaas die dier Afdeling ook verlang moet die ID nommer soos volg voltooi word in die NAAM kolom van die Geboortekennisgewing (kolom 12): ABC1301A

8. NOMINASIE VIR RASBEVORDING

Soos u weet, is dit jaarlikse 'n instelling om 'n persoon / organisasie aan te wys as die wenner vir Rasbevordering en ons benodig weereens u hulp met nominasies. Hier volg riglyne wat u kan gebruik om keuses te maak:

Die Boran ras in SA word gekenmerk deur uitstekende groei in die aantal geregistreerde diere en Boran telers wat die ras na aan die hart dra. Die Boran Beestelersgenootskap se Raad nooi alle belangstellendes en/of telers uit om oorweging te skenk aan die idée om 'n person / organisasie te nomineer wat die Boran ras in die afgelope tyd 2012/2013 op 'n onbaatsugtige manier bevorder het.

Die nominasie moet goed gemotiveer wees en voor 24 Junie 2013 aan die Boran Genootskap se kantoor gestuur word. *Riglyne vir oorweging van hierdie nominasies kan die volgende insluit, maar is nie beperk daartoe nie:*

- ***Onbaatsugtige diens aan die Boran telers en/of Boran Belanghebbendes van 'n streek en/of nasionaal in enige opbouende vorm wat die Boran Beesras bevorder.***
- ***Innoverende idees omskep in aksies wat die Boran Beesras se langtermyn bestaan bevorder en/of kan bevorder.***
- ***Iemand wat altyd dieselfde passie en fokus openbaar om deurlopend te verseker dat eie belang op die agtergrond skuif en die Boran Beesras se langtermyn bestaansdoelwitte op die voorgrond bly.***
- ***Bewese aksies deur iemand wat die bekendstelling van en belangstelling in die Boran Beesras by kommersiële beesboere in besonder kweek en bevorder.***

Gebruik gerus die riglyne om u eie denkrigting vir hierdie nominasie te formuleer. Ons sien uit daarna om op hierdie wyse die nodige toekenning aan die regte persoon of organisasie te gee wat die langtermyn ontwikkeling en volhoubare bestaan van die Boran Beesras kan bevorder.

Sukses met jul boerdery!

Groete

5. NATIONAL AUCTION 2013

The compiling of the catalogue is on track and we received 143 entries. The auction will take place 20 July 2013 at 11:00 at the Afri-Dome, Parys.

6. CO-OWNERSHIP

The programming of the co-ownership of female animals has been completed. Members will now able to register their embryo calves using their own HDM. We require a letter from the owner stating who the co-owner will be and the period of the co-ownership. Without this letter the member will not be able to register the embryo calve. The submitting of the Schedule O form and DNA are still essential.

7. CORRECT ID NUMBERS

During registration the correct ID number is very important. Please complete column 10 in the birth notification book as follow: HDM + year + sequence number, e.g. ABC1301. If you as breeder would like to add the Appendix (A, B, C or SP) to the ID number, you need to complete the NAME column in the birth notification book as follow ABC1301A.
